A LETTER FROM THE FOUNDER

Dear Policy Owner/Insured:

As Founder & CEO of Welcome Funds, I would personally like to thank you for considering our team to serve as your personal representative in the secondary market for life insurance. We understand that you have choices in this process and we appreciate the opportunity to represent you. We also know that selling your life insurance policy is an important financial decision for you and your family, and our goal is to ensure that you are able to make this choice with confidence.

Welcome Funds is the one of the oldest and largest life settlement brokers in the United States and has assisted thousands of Americans since our founding in 2000. As your broker, we work diligently to represent your best interests during the entire transaction, from initial evaluation through the closing process. Our procedures consist of the following:

- Initial evaluation and review to determine eligibility;
- Evaluation Request assessment and processing;
- Medical records requests and life insurance policy verifications;
- Obtaining independent third party life expectancy report(s);
- Submission to authorized and/or state licensed secondary market buyers of life insurance policies;
- Best execution negotiations via an auction process in an effort to maximize the sales price of your policy;
- Closing services including contract review and assistance with closing contingency requirements.

In addition to the traditional procedure and lump sum cash settlements offered by the secondary market, we are also able to provide alternative options that you may want to consider, depending on your personal needs:

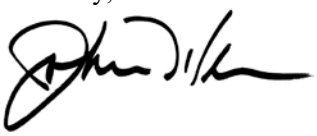
1. **Expedited Bid Process** – for situations that require a fast turnaround time due to the possibility of a lapse or a personal financial crisis;
2. **Retained Death Benefit Offers** – an offer to purchase the policy that includes a beneficiary of your choice maintaining some death benefit, with the buyer paying all future premiums. This can include a combination of a cash payout & retaining a portion of the death benefit. This option may not be available in all states or for all policies; or
3. **Life Insurance Loans** – if you are interested in a loan using your life insurance policy as collateral, we can also work with multiple lending firms to secure financing. A loan option may not be available in all states or for all policies.

Please be sure to inform your advisor or your case manager if you would like to consider any of the above options. We would also like to recommend that you discuss the tax consequences of selling your life insurance policy with a tax advisor, as it is likely a taxable event, unless the insured qualifies for a viatical settlement or long-term care exemption in compliance with IRS codes. Additionally, we have attached a brief brochure for your review issued by the Hawaii Insurance Division to provide you with an unbiased, independent description of selling policies in the secondary market.

As a reminder, you are under no obligation to sell your life insurance policy, in fact, if you need your coverage and can afford to maintain it, we highly recommend that you do so!

Once again, thank you for allowing us the opportunity to help you reach your financial goals and to represent you in the secondary market for the potential sale of your life insurance policy.

Sincerely,



John M. Welcom

Selling Your Life Insurance Policy

Understanding Life Settlements

What is a Life Settlement?

A life settlement is the sale of a life insurance policy to a third party. The owner (*viator*) of the life insurance policy sells the policy for an immediate cash benefit.

The buyer (the life settlement provider) becomes the new owner of the life insurance policy, pays future premiums, and collects the death benefit when the insured dies.

At one time, most life settlements were from people with a life-threatening illness. Now, individuals who are not facing a health crisis may sell their life insurance policies to get cash.

The Hawaii Insurance Division and the National Association of Insurance Commissioners want you to have the facts before you sell your life insurance policy. This brochure provides some of that information, but it is only a starting point. Consult your own professional financial advisor, attorney, or accountant to help you decide if this is the most suitable arrangement for you.

Consider Your Options

If you're selling your policy to get cash to pay expenses, check all of your options. You may find a way to get more cash from your life insurance policy.

1. Ask your insurance agent or company if you have any cash value in your life insurance policy. You may be able to use some of the cash value to meet your immediate needs and keep your policy in force for your beneficiaries. You may also be able to use the cash value as security for a loan from a financial institution.

2. Find out if your life insurance policy has an *accelerated death benefit*. An accelerated death benefit typically pays some of the policy's death benefit before the insured dies. It may be a way for you to get cash from a policy without selling it to a third party.

Consumer tips

- Comparison shop. Get quotes from several companies to make sure you have a competitive offer.
- Find out the tax implications. Not all proceeds received from the sale of your life insurance policy are tax free.
- It's important to know that any of your creditors could claim your cash settlement.
- Find out if you will lose any public assistance benefits such as food stamps or Medicaid if you get a cash settlement.
- The buyer of your policy can periodically ask you about your health status. The buyer is required to give you a privacy notice outlining who will get this personal information. Be sure to read it.
- Check all application forms for accuracy, especially your medical history. All questions must be answered truthfully and completely.
- Make sure the life settlement provider agrees to put your settlement proceeds into an independent escrow account to protect your funds during the transfer.
- Find out if you have the right to change your mind about the settlement AFTER you get the money. If so, how many days do you have to reconsider and return the money?
